THINK OUTSIDE.®

Make your home complete.

Give your home the tasteful final touches that pull your whole exterior together with stylish **Soffits**. Available in an array of designs and profile sizes, soffits have a soft-brushed finish that complements any woodgrain. Best of all, they eliminate the difficult maintenance challenges that come with porches, eaves and overhangs while providing your home with a polished look.

Triple 3 1/3" Premium Pointe Soffit
Available in solid and concealed vented styles

6" Beaded Soffit
Available in solid and concealed vented styles

Double 5" Soffit
Available in solid and fully vented styles

Triple 4" Air Flo Soffit
Available in solid, center and fully vented styles

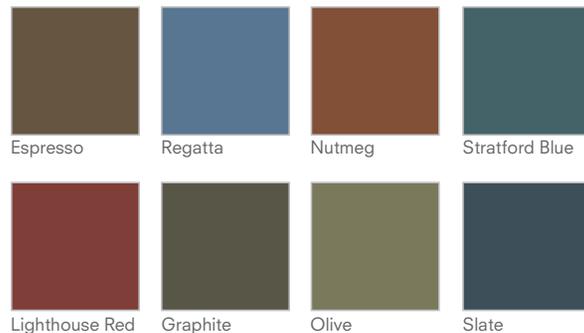

ColorLife™ Fade Defense is an advanced color protection formula that utilizes BASF's Luran S technology to keep siding color fresh and true for the life of the home.

Exterior Portfolio® is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our *SmartTRACK*™ moisture management system and Solid CoRe™ insulation. To learn more, please visit www.exteriorportfolio.com.

Enliven your exterior.

Soffits are available in up to 25 beautiful Smart Styles colors including eight from Smart Styles Expressions. Our attractive soffits also come in several profiles: Triple 3 1/3" Premium Pointe, 6" Beaded, Double 5", and Triple 4" Air Flo.
