12" Round PermaCast® Column with Savannah PermaPorch® Railing

The PermaPorch® Railing system is a beautiful way to tie your whole porch look together. It is made up of several different components, allowing you the ability to create the designs

that match your way of life. Easy to install, this worry free railing system will be a beautiful, low maintenance addition to your porch or deck for generations to come.

Porch Railing

Deck Railing

All rail sections suitable with columns (as shown) or PermaPost
* Top Rail Section must be installed on site.

Pre-built PermaPorch® Railing

Pre-built PermaPorch® Railings are available in a variety of styles to match your porch and deck design. The top and bottom rails are made of pre-finished weather resistant cellular PVC with aluminum inserts.

Savannah PermaPorch® Railing and 5" Square PermaPost®

The top rail, bottom rail and balusters are available in pre-finished white. They are made from weather resistant cellular PVC. The balusters are also available in round aluminum.

Custom Rail Panels

Custom rail panels are now available! Use our custom rail patterns to create a beautiful, one of a kind look that will set any home apart. HB&G's new rail panels are designed to work with the PermaPorch Railing top and bottom rails, they are made of cellular PVC and can be manufactured using your design or you can choose from one of the styles below. Contact a customer service representative now to order your custom rail panel.
