

Limited Warranty

Global Product Sourcing LLC (GPS) extends a three year limited warranty on all of our first quality products or for as long as the original consumer/purchaser owns the home in which our product is installed. However, not to exceed three years from the date of purchase.

GPS will promptly furnish, without charge, a replacement product or refund the purchase price thereof, at GPS's option, for any product, which is shown to be defectively manufactured as long as the installation is in accordance with GPS's printed instructions. This warranty is valid only if the product purchased has not been subjected to abuse, negligence, corrosive substance, smoke, fire or water damage. GPS's liability shall be limited to replacement or refund as aforesaid. GPS shall not be liable for collateral damages or losses. GPS reserves the right to validate any claim. An original or copy of the sales receipt is required, stating the product purchased and purchase date.

Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which may vary from state to state.
